

SCRIBEY

Organic House DJ * Producer * Screenwriter

Scribey tells stories behind the decks — blending deep, textured grooves with a screenwriter's feel for flow and emotional pacing.

He's played iconic venues like Ministry of Sound and Egg London, delivering sets that evolve from warm and organic to deep, late-night energy.

As a resident on Organic Deep House Radio, he shares cinematic journeys filled with feeling — spotlighting underground gems that bring joy and energy to the listeners.

KEY PERFORMANCES

2025

Played at the legendary Ministry of Sound as part of the **FUTURE London** night — a huge moment in my journey as a DJ.

2025

Delivered a set of my own productions — blending Organic and Progressive House — at this intimate Camden haunt.

2025

Taking the booth at one of London's most iconic club spaces, Egg London.

Open Decks

Founder and promoter of a monthly Open Decks afternoon at The Rocket, West London — supporting the local scene by giving DJs a space to practice, connect, and perform in front of a live audience.

SELECTED PRESS & ACHIEVEMENTS

Magnetic Magazine

One day one of my productions will be featured in this excellent magazine!

DJ Imposter Syndrome Coaching

As a professional and qualified executive coach, Scribey uses psychology and psychometric strengths testing to help DJs overcome performance anxiety,

Mixmag

You never know I might just feature here, if I work hard enough on my productionins and the DJ Imposter Syndrome.

Scribey Blog

Scribey is a screenwriter (hence his name) and writes about the electronic music daily.
